What is Journalism?
Journalism is an exciting and fast-paced career that can take you around the world in pursuit of a story. It’s a career for people who love a challenge and are keen to join this rapidly evolving industry. You can work in TV, radio, online or print media. The scoop is that Macleay can get you there in just 12 months.

Why Choose Macleay?
You’ll receive a solid foundation in print, radio, TV and online journalism, plus editing and photography. You’ll also learn how to create news packages on your smartphone. Our industry gold-standard internship program will ensure you graduate job-ready.

Your Life’s Calling

MACLEAY COLLEGE
Diploma of Journalism
Develop your journalism skills by working in our fully equipped professional Newsroom. You’ll produce broadcast-ready content to tight deadlines for The Newsroom website. This is a core part of your course and the only one of its kind in Australia.

Our promise
Macleay College can help fast-track you into the working world. We welcome anyone who has completed the NSW HSC or equivalent senior secondary certificate. People with professional work experience who are looking to reskill or change careers are also welcome.

Internship Program
Internships are a core part of your course and we assist every student with finding industry placements. These often lead to full-time roles for graduating students.
